

TRAVELING throughout the WIFI

We and you, you free
and traveling in the WiFi,
while connected in
throughout, you and we

Space to be filled,
Stay to ensure free

 Hello, you really there? 
dddisconnectinggg

the places one could go on this Basic stay ensure select free throughout the
country infinite space of online wifi www. internet sleeping on the he
station you select, free traveling trains possibilities no sleet to be in this
world to meet you on that other side on the places i can go lets go together
no feelings no touch screens of light to light up my face light of my life my
eyes burn for WiFi connected you and we it my fingers long for the motion
the swirl traveling stay WiFi while you basic WiFi throughout the country
traveling while free the tap the up down and left right select traveling free

Life of the toy train

how do you play
